Forecast for Tuesday 05 Oct 2021

Weather: Rainfall mostly affecting most areas of the Brecon Beacons overnight but clearing the east with just showers remaining. Cloud is expected to break up and clear with some bright spells expected in between showers. Heavy showers will develop but some place may miss the showers especially for the more eastern hills.

Chance of cloud free mountain/hill tops above 600m: Around 70-80%, cloudy at first in the morning but cloud lifting and clearing with some breaks for most hills. Cloud gathering in showers and lowering over summits for a time.

Visibility: Visibility will be poor or very poor around with extensive low cloud and heavy outbreaks of rain overnight. Cloud will clear in the morning with very good visibility outwith showers, dipping for a time in any heavy showers. Scattered cloud around 600m is likely in showers.

Meteorologist's View

Feeling very chilly on the tops with winds touching gale force at times especially in showers.

Recent rainfall: measured at Neuadd: altitude 353m

Recorded at	Last 24 hours:	Last 48 hours:	Last 72 hours:
14:00 on Mon 04 Oct 2021	11.4mm	18.2mm	31.4mm

Forecast for Wednesday 06 Oct 2021

Weather: A mainly clear night and feeling chilly by dawn as strong northwesterly winds begin to ease. A bright day is expected with some Autumn sunshine, but clouding over in the afternoon with some light rain spreading east in the evening.

Maximum wind: Northwesterly 25mph with gusts 35mph around dawn but steadily easing and 10-15mph is likely by mid afternoon, turning southwesterly later in the evening and increasing again.

Chance of cloud free mountain/hill tops above 600m: 90%, some early patches of cloud but nearly all summits will be clear with good clarity of air in the northwesterly airstream giving good views during the morning.

Visibility: Very good visibility but some patches of cloud around 600m at the start of the day.

Temperature: **Valleys:** Plus 6 rising to 14 Celsius.
At 600m: Plus 4 Celsius rising 10 Celsius.
Freezing level: Above the summits.
